

# SLO NOOR FOUNDATION

## *Inspiring Hope*

SLO Noor Foundation is in full force and with your help, the SLO Noor Free Clinic will be a reality in the very near future. Thank you for your support in our initial, grassroots efforts to raise funds for the clinic's opening. Your donations are needed to offset start-up costs for basic medical supplies, lease costs, and utilities. The local hospitals have been kind enough to supply us with several items but as one would expect the list is large. It is donations such as these that will assist the SLO Noor Foundation and the many volunteers, in transitioning our mission statement into a reality. Thank you for your support of the SLO Noor Foundation. Attached is a receipt for your tax records. Please complete the donor information section and return in the self addressed envelope.
