A Journey by Foot Walkathon is a collaboration between the non-profits Doc to Dock and SLO Noor Foundation. Jointly they are working as the solution to the healthcare dilemmas facing us here and around the world. They provide high quality healthcare and supplies locally and a shore to those in need.

On Saturday May 21, 2011 this collaboration will hold its first annual fundraiser. A Journey by Foot Walkathon will begin at eight A.M. up Cerro San Luis (Madonna Mt. – on the Laguna Lake side) followed by followed by the after party at 12 :00 pm. We would like to invite you to take part in this monumental event. 100 % of registration donations will go directly to the above non-profits. Please note that we are a volunteer staff.
